	Support a strong, diverse and well-connected local economy	X
	Create a green, thriving and vibrant place to be proud of	X
	Be a modern, efficient and effective Council	X

1. Summary

The Performance Report Quarter 2 2020/21 provides an analysis of progress and performance over the course of the period against each of the Council's 6 priorities. The Quarter 2 Report reflects performance during the first 6 months of the financial year and the impact that the Covid-19 pandemic is having on many of the Council's measures of performance.

The Council acknowledges that effective performance management arrangements are critical to supporting decision making during these challenging times. The report is presented with the caveat that work to deliver a step change in the Council's approach to performance management is ongoing. This includes:

- i) Wholesale review of the Council's performance management framework in line with the Council's plans for reset and recovery from the Covid-19 crisis and the desired outcomes of the Borough Strategy / Council Plan following consultation, further review and approval.
- ii) Full alignment of the new performance management framework to the priorities of the Borough Strategy / Council Plan.
- iii) Full review of performance targets in the light of the impact that Covid-19 has had on the Council's performance.

2. Recommendations for Decision

Cabinet is recommended to:

- i) Note the current performance position
- ii) Work with appropriate Executive Directors to address specific areas for performance improvement.
- iii) Work with appropriate Executive Directors in agreeing proposals for the future range of appropriate performance measures and indicators to be presented in Cabinet reports and their respective targets.

3. Purpose of this Report

- 3.1 The Council remains committed to the regular monitoring and reporting of performance information to ensure the delivery of efficient, effective and value for money services that meet the needs and expectations of the customers and communities it serves. The purpose of the report is to present to Cabinet for the period Quarter 2 2020/21, a summary of progress against its priorities and an overview of the performance in relation to key indicators.
- 3.2 The report is presented with the caveat acknowledged at Section 1 that the performance framework presented within the Appendix to this report is currently subject to wholesale review.
- 3.3 Each of the 6 Priority sections within Appendix 1 contain the following:
- i) A summary of progress in terms of delivery against the priority.
 - ii) A performance indicator tracking table showing performance against indicators in the year to date, direction of travel and comparative performance.
 - iii) A summary of progress against key performance indicators, what is going well, what is proving challenging and the action being taken to improve performance. It should be noted that the comparative quartile performance does not relate to performance within the quarter, which has been impacted by Covid-19, but reflects St Helens' position for the indicator against a comparator group when the last nationally verified data was published, largely for the period 2018/19

4. Background /Reasons for the recommendations

- 4.1 The Quarter 2 report reflects performance during the first 6 months of the financial year 2020/21 and many of the wide-ranging impacts of the Covid-19 pandemic. During this unprecedented period, it is more critical than ever that the Council has a clear understanding of what it needs to measure and how it is performing to inform effective decision making.
- 4.2 The indicators contained within the Quarter 2 report are those which were reported to Cabinet over the course of 2019/20. These indicators have now been recast against the 6 priorities of the draft Council Plan. It is acknowledged that this realignment highlights an imbalance in the number of measures reported against individual priorities and gaps within certain areas in terms of indicators required to measure success of progress against priorities.
- 4.3 At the same time the overwhelming majority of indicators are now being impacted to varying degrees by the Covid-19 pandemic. The onset of the pandemic initially impeded the Council's ability to set meaningful targets and review its range of measures. The performance scorecard highlights those measures where targets have been subject to review. In the light of performance in the year to date, as soon as is meaningfully possible, the range of indicators and associated targets will be reviewed / impact assessed, ensuring a clear line of sight to the new priorities and desired outcomes of the Borough Strategy / Council Plan and Reset and Recovery Plans.

5. Community Impact Assessment

- 5.1 Not required as the report has no direct impact on the community.

6 Consideration of Alternatives

6.1 None.

7 Conclusions

7.1 The Performance Report - Quarter 2 2020/21 at Appendix 1 provides an assessment of the Council's performance during an ongoing period of unprecedented challenge due to the Covid-19 pandemic. The impact of the pandemic is reflected across all Council priorities. Now, more than ever, robust, and appropriate performance management arrangements are required to enable effective decision making and the delivery of the Council's desired outcomes across the borough and communities. The Council remains fully committed to this end, with work ongoing to deliver the step change required to its performance management framework.

8. Implications

8.1 Legal Implications

8.1.1 None.

8.2 Community Impact Assessment (CIA) Implications

8.2.1 Not required as the report has no direct impact on the community.

8.3 Sustainability and Environment

8.3.1 None.

8.4 Health and Wellbeing

8.4.1 None.

8.5 Equality and Human Rights?

8.5.1 None.

8.6 Customers and Resident

8.6.1 None.

8.7 Asset and Property

8.7.1 None.

8.8 Staffing and Human Resource

8.8.1 None.

8.9 Risks

8.9.1 The regular monitoring and reporting of performance to Cabinet is undertaken to mitigate the risk of underperformance.

8.10 Finance

8.10.1 None

8.11 Policy Framework Implications

8.11.1 The recommendations within this report are in line with existing council policies.

9. Background papers

9.1 None

10. Appendices

10.1 Appendix 1 Performance Report – Quarter 2 2020/21
