	Helens Council's ability to continue as a going concern?	financial forecast. This includes setting a level of general reserves to meet identified potential risks, as part of a robust Budget Statement. The Strategic Director of Corporate Services is a representative on the Strategic Directors Group which allows for a constant awareness of key issues facing the authority which can be duly factored into the financial planning process as necessary. The Strategic Director business planning process also supplements this.
	If applicable, please document your basis for concluding that the going concern basis of accounting is not a fundamental principle in the preparation of the financial statements	N/A.
Litigation & Claims	Are you aware of possible litigation and/ or claims which may give rise to a risk of material misstatement?	In January 2016, the Council received requests for mandatory charitable relief from an agent acting on behalf of NHS Trusts. A law firm acting on behalf of 29 NHS Foundation Trusts has issued proceedings in the High Court against 49 billing authorities. If the claim is successful, this could require the Council to grant backdated charitable relief. This issue was reported in last year's financial statements as a Contingent Liability but the amount in question is not material based upon the determined materiality level within the Audit Plan.
Accounting estimates	How do you identify transactions, events, and conditions that may give rise to the need for accounting estimates to be recognised or disclosed in your financial statements?	The Strategic Director of Corporate Services is a representative on the Strategic Directors Group which allows for a constant awareness of key issues facing the authority which can be fully considered with regard to any impact on the financial statement. The Strategic Director of Corporate Services also meets on a monthly basis with the other Strategic Directors to consider all financial issues within each Department. A year end consultation exercise for the reporting of any transactions, events and conditions that may give rise to the need for accounting estimates between client departments, Finance and Senior Management exists.
	Are there any changes in circumstances that may give rise to new, or the need to revise existing, accounting estimates?	No. However, all accounting estimates will be reviewed as part of the final accounts process to ensure that the basis for calculating the estimate is fit for purpose.

Laws and regulations	Are you aware of any non-compliance with any laws and regulations?	No.
